

Entry	Activity	Theme	All Themes	Count	Percentage
1	making code comments	Code Reviews	Team Communication & Collaboration	17	70.83%
1	communications in meetings	Team Communication & Collaboration	Code Contributions	13	54.17%
2	facilitating communication between group members	Team Communication & Collaboration	Learning New Technologies	5	20.83%
2	work on git	Git Workflow	Code Reviews	5	20.83%
2	coding	Code Contributions	Documentation	4	16.67%
3	writing code	Code Contributions	Git Workflow	3	12.50%
3	git workflow management	Git Workflow	Planning & Project Management	3	12.50%
3	research on technologies	Learning New Technologies	DevOps and CI	1	4.17%
4	involvement in management and planning	Planning & Project Management	Empty boxes are themes that have already been mentioned by the same person, so they will not count extra towards that theme		
4	implementing devops (CI)	DevOps and CI			
5	contributions to group atmosphere (people skills)	Team Communication & Collaboration			
6	meeting participation	Team Communication & Collaboration			
6	coding	Code Contributions			
6	proposing new ideas				
6	contributing to a good team atmosphere (people skills)	Team Communication & Collaboration			
7	producing documentation	Documentation			
7	bringing new ideas to the project	Team Communication & Collaboration			
8	code reviews	Code Reviews			
8	participation in meetings	Team Communication & Collaboration			
9	feature implementation	Code Contributions			
9	facilitating communication between group members	Team Communication & Collaboration			
10	spending time communicating	Team Communication & Collaboration			
10	code reviews (merge requests)	Code Reviews			
10	creating issues	Planning & Project Management			
10	git management	Git Workflow			
11	participating in meetings	Team Communication & Collaboration			
11	code contributions	Code Contributions			
11	code reviews	Code Reviews			
12	code contribution	Code Contributions			
12	task completion				
12	general back-end stuff				
13	meetings	Team Communication & Collaboration			
13	communication during free time				
14	facilitating communication	Team Communication & Collaboration			
14	code contributions	Code Contributions			
15	learning new technologies	Learning New Technologies			
15	meeting participation	Team Communication & Collaboration			
16	learning new technologies	Learning New Technologies			
17	code contributions are the most valuable	Code Contributions			
18	researching new technologies	Learning New Technologies			
18	documentation	Documentation			
19	code contributions	Code Contributions			
19	contributing to planning process	Planning & Project Management			
19	documentation	Documentation			
20	researching new technologies	Learning New Technologies			
20	code contributions	Code Contributions			
21	code reviews	Code Reviews			
21	commit count	Code Contributions			
21	meeting participation	Team Communication & Collaboration			
22	commit count	Code Contributions			
22	documentation	Documentation			
22	participation in meetings	Team Communication & Collaboration			
22	contributing ideas towards design				
23	meeting participation	Team Communication & Collaboration			
23	facilitating communication				
24	meeting participation	Team Communication & Collaboration			
24	code contributions	Code Contributions
